## Business Snapshot

**What's the legal name of your Company?**

**What does your company do? What are the products and services you offer?**

**Who are the decision makers for this project?**

**What budget have you allocated for this project? This will help us communicate what we can and can't do.**

---

## **What Are We Doing?**

**What are your top 5 main reasons for needing a new website?**

**Is there anything about your current site that serves the business well and if so, why?**

**What don't you like about your current website?**

---

## **Who Are We Doing This For?**

**Tell us about your ideal customer. Who are they? How old are they? What gender are they? Where do they hang out online? What are their interests?**

**What are the top 5 reasons your ideal customer will visit your website?**

[eg: research product information, get contact details, ask questions about services, pricing]

## Design Concept

How do you want people to feel when they interact with your brand? Safe and secure, edgy and excited, exclusive and cool, like they belong?

Your competitors websites?

## Build a Flowchart or Sitemap

Please build a flow chart or sitemap illustrating the organizational structure. (This gives us an idea of how you would like to see your web pages laid out for navigation purposes.)

---

## How Do You Envision the User Experience?

- **Awesome graphics are needed to entice the viewer to want to continue the web journey.**
- **Graphics are a key element to creating the curiosity and interest to take the next step.**

- 1. What personas (types of visitors) need to be persuaded?**
- 2. What actions do they need to take?**
- 3. What information do they require to take that action?**
